Proteus Syndrome Foundation Family Assistance Program - How to Apply

The Proteus Syndrome Foundation (PSF) Family Assistance Program provides financial relief to families impacted by Proteus Syndrome. We are a community that understands Proteus syndrome and the associated financial burdens. Our mission with the PSF Family Assistance program is to alleviate some of the costs associated with medical care, medical - related travel, and other Proteus related needs.

To qualify you for this scholarship program, you or your child must be:

- Diagnosed with Proteus syndrome

Financial assistance must be associated with the treatment, travel, medically needed equipment or expenses unique to an individual living with Proteus syndrome.

Some examples of qualifying requests are below, but are not limited to:

- Costs associated with travel and lodging for medical treatment
- Cost of medical equipment associated with treatment/management of Proteus syndrome
- Medical expenses from co-pays/deductible and costs associated with genetic testing
- PSF Conference related costs

Application Process:

- Complete the application in full, including an explanation of the reason for your request.
- Identify the amount of financial assistance you are requesting/seeking. Financial assistance will be determined on a case-by-case basis depending on need and PSF's ability to assist.
- Attach any relevant receipts/documentation of expenses incurred. Emailed photos of the application and any supporting documentation are acceptable.
- Attach proof of Proteus diagnosis
- Once your application is received you will be notified by phone or email of your application review date and timeline for notification of financial assistance being granted by PSF.
- Applications will be reviewed by our Board of Directors at the next scheduled meeting. If you express an URGENT need, the board will aim to review within one week of receipt of a complete application.
- Depending on the circumstances and needs, you may be asked to disclose further financial information.
